

Federation of Dutchess County Fish and Game Clubs

Another incredible Federation of Dutchess County Fish and Game Club's Junior Pheasant Hunt 9/24/22. Today, we had

40 amazing Junior Hunters . I, as always , would like to thank each and every Junior hunter for participating. As you all look at these pictures , you would see , it takes a small army to ban together and make this day special for every jr. hunter. So, I as Chairman of the Jr pheasant hunt , I would like to thank all the volunteers, especially , all the dog handlers , all the bird planters, everyone working the registration table, all the cooks and helpers, all the safety and trap instructors, our local DEC Officer, our photographers, Chief Kurt and the Milan Fire Dept, and everyone that showed up and stepped up to help out to make this hunt safe and special for every jr hunter! I would also like to thank a member of the NYS DEC, Matt Paul , for attending , participating and always supporting the Federation in the Junior Pheasant Hunt. Also, I would like to thank retired NYS DEC Director of Fish and Wildlife , Tony Wilkinson, for attending and for all his support and glad , once again, you witnessed how we roll in Dutchess County!

Thanks to all the parents who filed for the jr hunt and remembered to show up.

Lastly , I would like to thank every single dog that brought their A game and hunted his/her heart out, making this day special for each hunter that hunted over them. This day cannot be a success without each and every one of you. Thank you all for being part of it, thank you all for all your help, looking forward to doing this again next year!

God Bless You All!
