President's Note

November already!? How does time continue to go by so quickly? I guess that's what happens when we get so busy with fun activities!

October was filled with some great outings - Meeting up at Napa, our campfire and trivia couples party, a fun night prepping dinners and of course, Trunk or Treat! I know our Board has just as many fun activities planned for November. Remember, you are always welcome to bring a friend, neighbor or co-worker to our events-the more the merrier!

I'm looking forward to enjoying fall and this month before the Holidays really kick in!

See you soon!

Maria - President, Montgomery Moms

Making sure your family is taken care of after you're gone is difficult to think about, but we are here to help walk you through creating, or updating, an estate plan to ensure that your children and family are taken care of when you are gone. Creating a Will or a Trust with provisions for your children, is a very big and important decision. We help people every day create Wills, Trusts, Powers of Attorney, and Healthcare Directives so that their wishes are honored. For you, this means ensuring your children are taken care of, and your money passes to your family, all in a way that makes the most sense for you and your family.
