# Steve's Pickle Place

407-925-8700

Daytona Flea Market  
Row P-South, Booth 5

*Serving only the finest of pickles and olives available in this area*

Steve's Pickle Place opened their booth on the produce aisle back in 2007 as a weekend venture and has gained national attention in what is now a full-time business. Starting with a small menu of pickles, Steve and his family have expanded to over 35 unique and closely guarded recipes. Steve's most popular pickles include Horse Bites, Garlic Dill, Slap 'n' Tickle and Southwest Sweeties. Other delicacies on the menu at Steve's are a variety of Greek olives, including olives hand-stuffed with Feta and Bleu cheese, garlic, anchovies and jalapeños. From the deli case: Koegle meats, Pickled Bologna, Vienna Hot Dogs, Margherita Pepperoni, Honey Ham Sticks and Landjueger. From their specialty menu: peppa dewes, pickled mushrooms, pepper shooters, pickles eggs and more.

Steve's reputation has made their little weekend venture a destination for pickle lovers across the country and abroad, so much so that a production company for the travel channel made Steve's a stop in the series RV Top 3, featuring must-see destinations along the east coast of Florida. You can check out the video and Steve's full menu of the finest pickles and olives at [StevesPicklePlace.com](http://StevesPicklePlace.com)

Steve's sponsors local charities and the monthly classic car cruise-in here at the market. We're pleased to have Steve and his family as part of the Daytona Flea Market family. If you haven't done so, stop by Steve's Pickle Place while you're here and sample any of their many varieties of delicious home-made pickles - just look for the pickle barrels and the crowd on P-South and you'll find Steve's Pickle Place.
