### **Inclement Weather Policy**

Winter is upon us. When inclement weather is forecast, please check our website and Facebook page for the most up-to-date studio closings. Please note, we do not always follow M-W school closures. For example, if after-school activities are cancelled, we will sometimes still be open. We will update our website, Facebook page and phone message with the most up-to-date cancellations. Emails will be sent as well.

### **Recital Weekend**

Just a reminder of the dates, our shows are Sunday, June 2nd and our mandatory Dress Rehearsal is Saturday, June 1st after 2pm due to the SAT exam at the High School. More information will be e-mailed in the new year.

## **Please Note**

While classes are in session please keep the noise in our waiting room to a minimum. We ask that there be no running and screaming since the noise carries over into the studio and distracts our students and teachers.

When dropping off your child at our front doors, please be extra cautious as you pull away. With the time change, it is now dark earlier and we have many parents and children walking through our parking lot during evening hours. If you are dropping off or waiting to pick-up your child please pull all the way to the right so cars can get around you. Please do not wait for an extended period of time. You must park if you plan on waiting for more than a few minutes.

Also, we ask that all students, regardless of age, wait inside the foyer when waiting to be picked up. Thank you for your cooperation.

Happy Holidays to all our Terpsichore families!
