

THE REALM OF THE BEAST

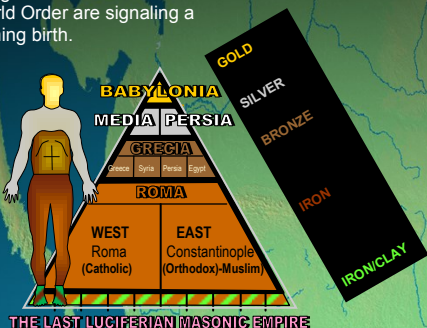

THE LAST LUCIFERIAN MASONIC EMPIRE

The purpose of this illustration is to suggest that the coming apocalyptic New World Order will be tied to the Jubilee Year countdown since 1966 and the last Jewish 'Terminal Generation' of Daniel's last prophetic Week of 7 years. This assertion is based on phi ratio of time from the prior 3 world empires based on the Book of Daniel. Certain Biblical types and parallels suggest that the advent of the coming Luciferian AntiChrist and his Empire is about to be birthed. The purpose for this last 7th week of prophetic 7 years is for Jesus to pour out the divine judgment against this last Luciferian Empire. This Wrath of the Lamb corresponds to the 7-7-7 fold Seal Judgments that are broken by Jesus with the Bride in Heaven. The Bride will serve as the legal witness of the verdict against Lucifer and his evil Masonic Empires throughout history and for the blood spilt of the martyrs of Christ throughout the Church Age.

The illustration also suggests that the geo-political, economic and religious domain of the coming evil Masonic Empire of Lucifer's AntiChrist will comprise the last rendition of the Roman Empire centered around the Mediterranean. The illustration will show that even the topography of this realm approximates the anthropomorphic dimensions of the Vitruvian Man of da Vinci. The scale appears to correspond to the pattern of the King of Babylon's dream of the Statue of 4 elements destroyed by a 'Rock' at the base of the Statue. This Rock from Heaven, aka, Jesus Christ will come when the last rendition of the last Beast Empire has a 10 nation confederation ruling the known world and especially has dealing with the Temple of YHWH.

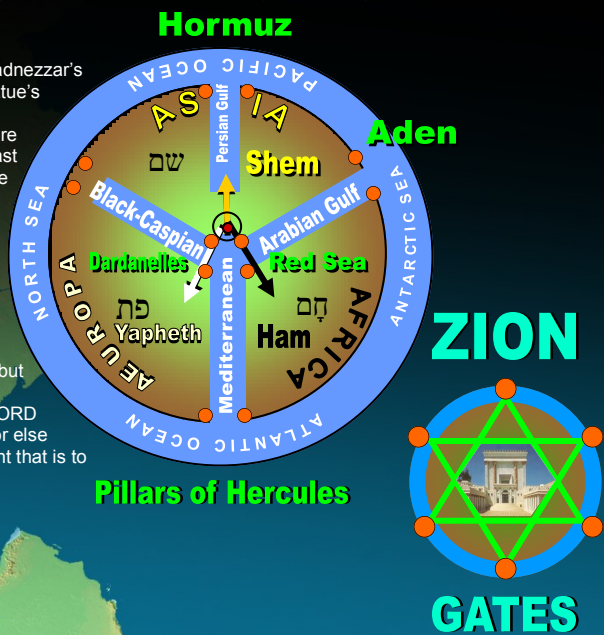

THE FALSE LIGHT

The coming evil Luciferian Masonic Empire will be Masonic only in the sense that the current and prior ones have been orchestrated by such and have been involved in either the destruction and/or building of the Temples of the LORD in Jerusalem. However, these are the very ones the Bible exposes as being the 'Builders that rejected the true Stone', the Rock which is Christ Jesus—the true Light of the World. This illustration is based on clues and prophetic Biblical parallels to suggest that the coming Luciferian Masonic Empire will coincide with the true count of the Jubilee this study strongly suggests started from 1966. There have been also many astronomical signs in the Sun, Moon and Stars that seem to herald the coming of the AntiChrist as the rising Phoenix and its New World Order are signaling a coming birth.

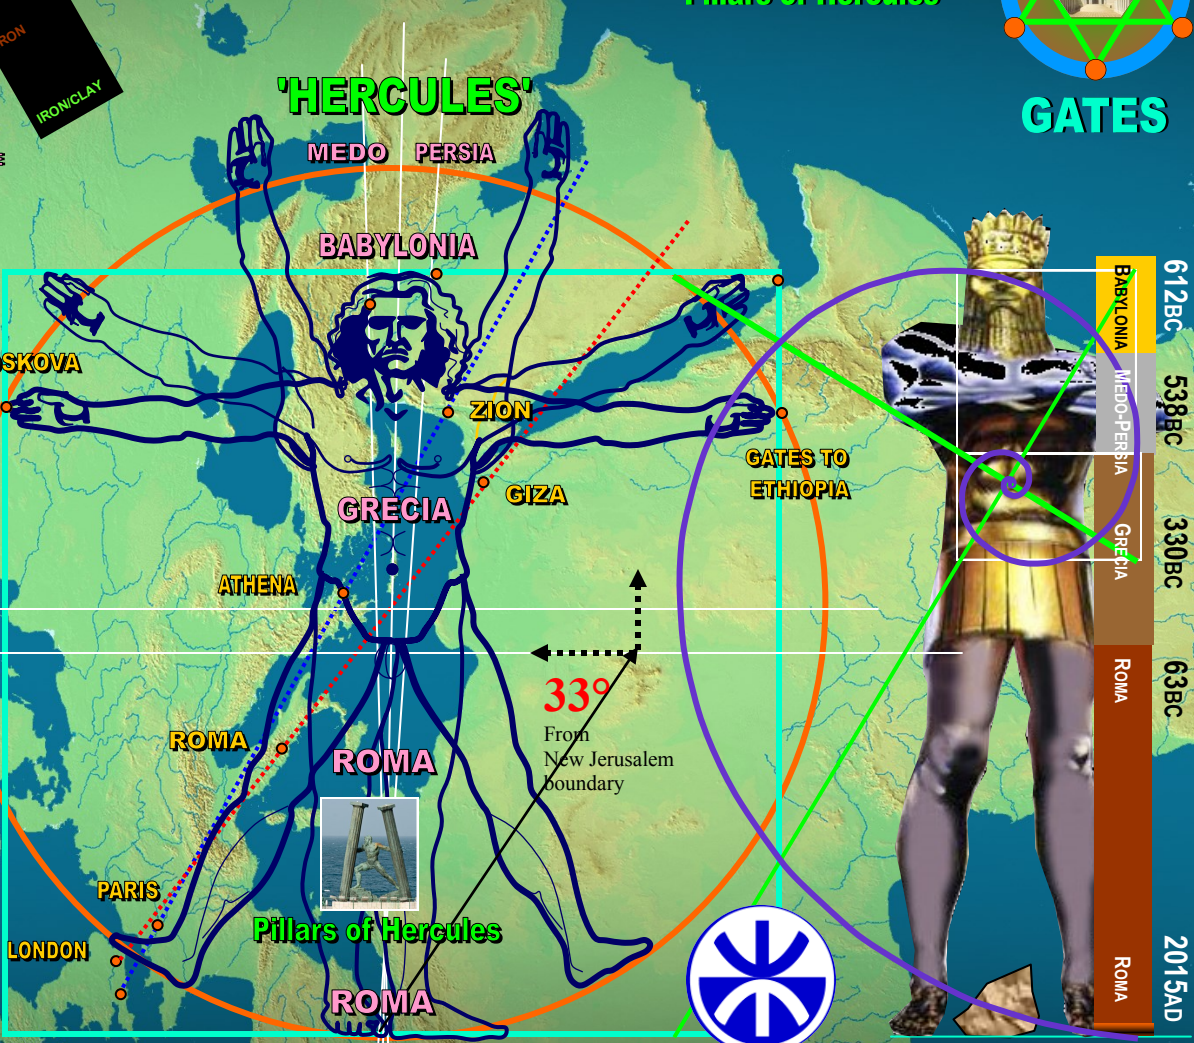

AS ABOVE, SO BELOW

According to the interpretation of Nebuchadnezzar's dream, each segment of the prophetic Statue's metal elements corresponded to an evil Luciferian Masonic Beast Empire. There are many competing theories as to what the last 10-Toe nation confederation Empire will be comprised of. Many speculate they will be 10 world regional superpowers, perhaps but given the prophetic context and imagery of Daniel's interpretation of the King of Babylon's Statue, the natural termination would be within the Empire type that corresponds to the current world Masonic evil Empire of Rome still. This illustration is not meant to offend Masons but to warn them to get out of such Luciferian organizations and their trappings as the LORD warned His People to get out of Babylon or else face the same condemnation and judgment that is to befall their Harlot, their Queen of Heaven.

Why these Luciferian Empires are vilified and attributed to being Masonic is because such secret societies that on the outward appearance are seen as good, upright and moral. It would be considered an oxymoron that the Masonic nature of the New World Order would be labeled 'evil' as most would consider the work of the Masons to be good, beneficial, and good-willed toward Mankind. Overtly perhaps such works are but they only masquerade the deep dark secret that the Bible exposes them as really being aligned with Lucifer and fellow workers of iniquity. Such claim to be 'Light Workers' as they labor on behalf of their Grand Master Mason, Lucifer the Light Bearer that they blindly believe seeks to only illuminate humanity out of its fallen state and darkness.

The Year of Jubilee

When is this Beast Empire to emerge? If based on the liberation of Jerusalem in 1967, the year 2015 is the start of the Jubilee based on the Hebrew calendar to commence on Yom Kippur, September 21, 2015. Moreover since 1948 when Israel became a nation, it would be then approximately a 70 year duration of time. This 70 year duration has echoes and parallels that of the desolation of the city of Jerusalem was under during the initial Babylonian Captivity.

This date of the Jubilee corresponds to the year 5776 that also is reminiscent of 1776 in America in which Liberty was proclaimed throughout the 13 Colonies as if they were the 13 Tribes of Israel. Perhaps it is when desolation will be coming to the USA and the coming new emerging Phoenix is to rise from its ashes, be it nuclear or otherwise.

End of WW2 1945 - 2015 Year of Jubilee = 70 Years

1 AD + 7 Shmitahs = 70 AD

Based on phi ratio of Time in correspondence to the Body form of Nebuchadnezzar's vision.

The Convergence of Prophetic Time

What this could very well mean is that the liberation, the Jubilee of Jerusalem is a prophetic countdown that will end on Yom Kippur 2015. This means that the ensuing Shmitah cycle is 7-years long which will correspond to Daniel's last prophetic Week of 7-years. Thus is would mean that it is the Tribulation Week. The coming Luciferian evil Masonic Empire will not compare to prior world empires in the level of tyranny and mass death of millions of innocent people in the coming Age. The so called promise to recapture Lucifer's paradise of a by-gone era of the Golden Age will amount to the total depravity of the Fallen Angels and those human sheeple in converting the planet into a giant prison FEMA Camp, a literal Hell on Earth.

It will be during this evil Luciferian Masonic Empire that the world leader, the Prometheus of Lucifer which the Bible called the AntiChrist will be judged by the 7 hold Seal Judgments of the Lamb of GOD, Jesus Christ that will come a 2nd time. He is the Lion of the Jewish Tribe of Judah that was worthy as a man to 'take the Scroll and break the Seals thereof' to condemn Lucifer and his hosts to eternal damnation; a mere

This Year of Jubilee is pegged from 1966 that made 1967 the 50th year and in which Old Jerusalem to include the Temple Mount was back under Jewish control since 70 AD when the 2nd Temple and Jerusalem was desolated and judged. The year in the Masonic Order is considered the Year of Light in which the Temple to Lucifer is to be built. One interesting facet about the speculated Jubilee Year staring in the fall of 2015 is that if the liberation of Jerusalem does indeed set off the countdown to the terminal Jubilee cycle, it is the final one for the Jewish 'Terminal Generation' spoken about in the Bible. If 50 years are counted from 2015, the year 28 AD matches the hexagram planetary alignment that corresponds to the year Jesus was publicly

baptized by John at the Jordan. That same year Jesus proclaimed the Year of Release as He read Isaiah in the Synagogue.
