

Dance and Play Workshop: Grades ELP to 3

This fun workshop for primary students combines fun popular dances with dance basics and creative movement for an entertaining and action packed 1 hour program. It is a friendly introduction to Dance and Drama, that gives children a love for the subject, and offers the opportunity to meet some of the curriculum requirements for Drama and Dance based on Ontario Education standards.

Primary Students will have the opportunity to fulfill curriculum expectations, both during the workshop, and after, in the following ways:

- identify and correctly use drama and dance vocabulary (e.g., in role, out of role, position, direction)
- describe some basic ways in which the body can be used in space and time (e.g., freezing in position to look like a statue)
- demonstrate their knowledge of the movements of natural objects and materials (e.g., trees, flowers, water), using their voice and/or body.
- communicate their responses to a variety of stimuli (e.g., nursery rhymes, poetry, stories, picture books) by using elements of drama and dance (e.g., chanting in a group, movement)
- use the vocabulary and body movements of a particular character when role playing
- demonstrate control of their bodies when moving like different objects and animals (e.g., a clock ticking, a cat stretching)
- demonstrate an understanding of different points of view (e.g., by playing the role of different characters, and identifying and solving problems they face)
