## Questions:

1. Student badges; Once a badge is replaced, the old badge is no longer valid and needs to be thrown away as it is no longer active. To be on campus each student must have their badge on. This includes getting onto the bus.

2. The bus app has been fixed, so you can go online and find out how to track the school bus.

VP Communications:

Christine Deaton

Thank you for voting on the Override, it passed in Scottsdale. Override is so helpful for the students and it supports and empowers our teachers.

Some funds that were put in place over Covid are about to go away and the Override will help offset that.
