

2019-2020 Mt. Lebanon Indoor Match Play Registration Form

Each player will be scheduled for at least 5 matches during the indoor bubble season, starting October 18th, 2019 and ending April 10th 2020.

Depending on the number of sign-ups, the matches will be scheduled either Friday Nights, 6-8pm, or Saturday nights, 6-8 pm. Cost is \$25.00 per player per match. Number of matches will depend on number of sign-ups.

Each match will consist of 1 set of singles and 2 sets of doubles for each player. Each match will take 2 hours. I will put teams together so that your player has a competitive situation every time he/she comes. I will have a pro roving around the matches to help with scoring and strategy. You will get a printed schedule, that shows dates and times of your matches.

I anticipate that I will have 3 league levels, an entry level league, for advanced beginners, a tournament training league, and an advanced high school league. This is a fantastic opportunity for the developing young tennis players of Mt. Lebanon to get involved in playing meaningful sets against players of similar ability and ages. The singles matches will count toward our challenge ladder. I would like to get as many players as possible. If you are unavailable to play on a particular weekend, I will get a sub to take your spot. I must know in advance if you are unable to come to your match. There will be a playoff in each league to determine a champion. The championship matches will be billed for separately. Any questions please call or e-mail:
