**Golden, Colorado** – E-Debit Global Corporation (the “Corporation”) announces the signing of a Memorandum of Understanding on the 8<sup>th</sup> day of September 2017 with Affordable Green Holdings, LLC in order to conduct joint reviews, due diligence investigations and negotiations to merge their respective business operations to form a new or combined business entity.

**Overview:**

Doug Mac Donald, President of E-Debit Global Corporation advises “we have successfully commenced the first stage of our review of the mutual business opportunities being presented by Affordable Green Holdings, LLC (“AGH”). “We are looking forward positively to the final stages of our mutual reviews and believe that our eight month examination of numerous opportunities presented during our ongoing investigation of opportunities within this burgeoning business space has successfully brought us to the AGH group, a segment leading diversified cannabis company that is vertically integrated throughout the marijuana business space.
