

America Standing Together

Financial Perspective

AST is built as a local partnership
Six General Partner
Sixteen Limited Partners
Unlimited Associated Partners

AST National Provide Financial
Co-guarantee

AST National Coordinate with HUD and
other agencies

AST National Provides quick start
programs for National Disasters

Local Perspective

AST is a local entity established by six
general partners

AST is controlled at the local level not
national

AST local charter is to activate the
development plan of the city

AST can also be a public /private
partnership to provide local cities to
added support

AST is a American Theme of working
together as a community.

Strategic Vision

Rebuilding America One Community at a
Time.

Goal is to provide jobs to every person in
America immediately.

Goal is to provide support to the service
families.

Build a better America for Our Children.

Empower our people at the grass roots level.

Available to every city in America.
Non USA - cities can be sponsored by a
USA sister city.

Application online - Six General
Partners
AST - National becomes Partner Seven

The AST Model can fit cities of a few
thousands to cities of millions

AST is a open partnership at the grass
roots level seeking local innovation
that can change the world.

One united community is strong, but
1000 united communities is a economic
power.

AST attempts to balance trade, and
harmonize efficiencies and proper use
of resources.
