Dear Parent/Guardian:

2019 Music Trip to Orlando

If your child needs a prescription or other over the counter medication during this trip, I must have consent for each medication filled out in its entirety by you and your child's physician. If there are more than four medications needed, please utilize the District Medication Form in this packet. The nurse on the trip will dispense the medication. Please have this form(s) filled out and returned to me by Friday, February 15, 2019.

The Nurse on the 2019 Music Trip will be carrying Acetaminophen (Tylenol), Ibuprofen (Advil) and diphenhydramine antihistamine (Benadryl) for students on this trip. In order for her to be able to administer these medications from our stock to your child if needed, please bring the trip medical form to your private physician for authorization.

Your child will be required to carry their medication in their carry on luggage to the hotel in Orlando. They will then report to the nurse's room with their medication in the original container to be held by her for the remainder of the trip. Please provide at least two extra days of medication in the event there is a delay coming back.

If you have any questions, please contact me at 201-768-3200 ext. 13360 or email at Mogelesky@nvnet.org

Sincerely,

Debra Mogelesky, RN, MS
School Nurse
