

SUNBIZ SHOWCASE ALLIANCE, PLLC
Harland Henry, President and CCO

SunBiz Showcase Alliance, LLC is a business consulting company that provides professional services to small, minority and women-owned enterprises. Our services include marketing, international relations, customer relations, project management, government and corporate procurement opportunities and access to capital.

Through our vast network of associates, we can confidently meet your needs through our international network.

About the President, CCO

Harland Henry is an economic development strategist and was advisor to former Secretary of the State of Connecticut Susan Bysiewicz from January 1999 to February 2009. During this time, he created and launched the award winning project “CTShowcase”, a program that assisted more than 7,000 small and minority business throughout New England. Harland managed the Small and Minority Business department and built strategic alliances with Chambers of Commerce, SBA, SCORE, federal and state agencies and the corporate sector. In the capacity of assistant to the Secretary of the State, he was responsible for creating business opportunities and relationships between several states and foreign countries. He created business alliances for Connecticut businesses with such countries as Peru, United Kingdom, Poland, India, Puerto Rico and China. As an independent consultant, Harland is able to diversify his services and focus on community outreach, and economic gardening concepts.

Professional Summary

- Successful at prioritizing projects and completing multiple tasks simultaneously without compromising quality or time constraints.
- Dedicated to integrity, high work ethics, and discretion, meeting stringent deadlines under pressure and ensuring optimum customer/client satisfaction.
- Equally productive working independently or as an integral part of an energetic, goal-oriented team focused on excellence.
- Excellent rapport with all levels of management, personnel, clientele and government agency representatives.

Education

Harland earned a Master’s degree in Management, a Bachelor’s degree in Business Administration and an Associate’s Degree in Marketing. He also holds a certificate in Project Management and is a Microsoft Certified Partner.

Awards

- 2003 - SBA’s Business Advocate of the Year
