THANKSGIVING!!

What Has Been Happening in The Pond?

The Duckling room is doing great heading into fall! We are working very hard on utensils, objects, and animal sounds. The kids are really enjoying it!

This group of kiddos love nursery rhymes! Some of their favorites are Bubble Pop, Itsy Bitsy Spider, Row Your Boat, and I'm A Little Teapot. Get them to sing them with you at home!

Please remember we continue to go outside even when it gets colder.

Make sure your kiddo has appropriate clothing for our outside time!!

Thank you parents who have made our transition into fall great!!
