The Church is God's anointed in these last days. We the church stand tall and committed to the God of Abraham, Isaac, and Jacob. We will not abandon his precepts, we will not lay down and quit, and we will not give in to the ways of this world. We are soldiers for Christ. Our army cannot and will not be defeated. We cannot lose because the Lord is our strength and power. I love the story in Luke 10:17-19. It says; *The seventy-two returned with joy and said, "Lord, even the demons submit to us in your name." He replied, "I saw Satan fall like lightning from heaven. I have given you authority to trample on snakes and scorpions and to overcome all the power of the enemy; nothing will harm you.* So keep your eyes on the prize. Do not look to the left or to the right; keep your eyes on Jesus. He is the author and finisher of our faith. He cannot let us down and we cannot lose, for the Lord is on our side. So hold your head up high. You are God's chosen people. A people born with destiny, purpose, and eternal life. Psalm 23:4 says, *"Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me."*

"I started drugs at age 13, and struggled on and off with addiction for years. Before coming to Project New Start I had lost all hope and at my lowest. I had lost my kids, and every relationship that ever meant anything. Since to Project New Start, the relationships with my kids and wife have been restored. God made it easy to quit drugs and tobacco because I am no longer empty, I am full of the Spirit, and I plan to serve the Lord and live a godly life with my family. I want to thank Project New Start staff and thank God for everything."

"When I came to PNS, I did not believe in God. But being here 4-months; I now believe and know what he did at the cross. I lost my dad in 2019 and started using; I got clean and relapsed when I lost my mom. Then 3-weeks before coming to PNS I lost my sister to an overdose of fentanyl and I relapsed again. I came here because I don't want to end up like my sister. I want a future and to have a relationship with God."

"Just three months ago I was living in a hotel room with my three kids and four other people; trying to out-run DHS and stay clean. I had already lost my husband and burnt so many bridges; But God has blessed me so much. My DHS case is closing. My kids are happy and healthy. The Lord is rebuilding bridges. My spirit is growing in God more than I thought was possible."

"Before I came to Living Water with my mother; I was bad. I spent time with people doing wrong and hiding secrets from my mom; didn't go to church very much. But one night I had a dream that left an impression. I had thought that I wouldn't ever speak to my dad again; but my aunt called and said that he wanted to talk to me and my brother. We did get to speak and he promised to give us some money; and didn't. Because of that I went back to old ways and fighting. But now I have grown, matured; and respectful. I love God; my mother and family. I have been baptized and read the bible more and more. I preach to the children and share God's word. And then a miracle happened; the preacher ask if I had tried sports and I said yes; wish I could play on the team. Pastor Tim that he would speak to the football coach. I was amazed that when I spoke to the coach about signing up for the team that he gave me a center position. My mother wasn't happy at first; but, she's proud of me! Our first game is in September and excited about my future. Also, other kids were baptized and God is working miracles. My favorite scripture is 1 Corinthians 8:1-13 and it speaks of *careful choices* and that is what the program and God has done for me.

August was a busy month for the kids here at Living Water Recovery Center. Living Water Recovery Center has twelve kids attending Center Ridge School. Because of our sponsors all the children have new clothes for school. They have their schedule and seem to be adjusting well to their routines. We ask that you continue to pray for our kids, pray they make good decisions in school and always put God first. We would like to thank all of our amazing sponsors and volunteers for all that you do for us to continue our mission here at Living Water

Recover Center.
