

BY-LAWS OF THE BOARD OF TRUSTEES of the GREENE COUNTY LIBRARY SYSTEM

Article I – Name

The name of this organization shall be the Greene County Library System.

Article II – Purpose

The purpose of the Greene County Library System is to establish and maintain free public libraries for all residents of the County of Greene; to maintain a headquarters unit and appropriate associate member libraries in Greene County, Pennsylvania; to act as the sole conjoined county library system under the provisions of the Pennsylvania Public Library Systems Standards and Guidelines for Pennsylvania Public Library Systems information memorandum #78-18 of June 1978, and provided that the members of said County System shall abide by and support the Constitution and laws of the United States of America and the Commonwealth of Pennsylvania.

The purpose of the Board of Trustees is to establish and implement such policies with respect to administration, finance, personnel, property, and publicity pertaining to the business of the Greene County Library System as may best ensure the development and effective functioning of free public library services in accordance with the needs of the residents of the County of Greene and the mandate established by the provisions of the Pennsylvania Public Library Code of June 14, 1961 (P.L. 324) as amended and revised 2012.

Article III – Service Area

The service area for the Greene County Library System, under the provisions of the Pennsylvania Public Library Code of June 14, 1961 (P.L. 324) as amended, shall consist of the entire service area of the County of Greene.

Article III – Membership

The member libraries of the Greene County Library System are the Eva K. Bowlby Public Library and the William F. and Mary A. Flenniken Public Library, which said libraries by mutual agreement and in agreement with the Commissioners of Greene County did establish the Greene County Library System in 1976 by resolutions.

Article IV – Authority

Section 1. The authority of the general governance of the County System shall be vested in a Board of Trustees. The duties of the Board shall be: to study and approve the system budget annually; to approve system grant proposals and help with writing them, as needed; to make presentations to funding agencies on behalf of the System, with the assistance and recommendations of member boards and staffs; to supervise the disbursement of all System

funds, according to a formula devised by a joint committee of the member library boards; to write a long-range plan and update it annually; to develop methods to be used in evaluating yearly progress; to pursue new fund-raising plans and ideas; to plan and assist in coordinating county-wide library activities; to help to publicize library activities and needs; to investigate needs and help to plan for improved service to under-served areas of the county; to define duties of system administrator; to adopt bylaws for board procedures; and to introduce new system policy and procedures; and following approval by all library boards, initiate new system policies and to initiate those policies developed and approved by all member library boards.

Section 2. The seven-person Board of Trustees shall be made up as follows:

- 2 of its board members and one member at large nominated by the Eva K. Bowlby Library Board of Trustees and appointed by the County Commissioners.
- 2 of its board members and one member at large nominated by the Flenniken Library Board of Directors and appointed by the County Commissioners.
- 1 County Commissioner or commissioners' delegate.

Members at large should be selected from persons known to be interested in libraries and who have expressed a willingness to serve. Each member will serve a three-year term and may not serve more than two terms in succession. Terms of library board members must be staggered so that both from a particular library do not serve the same three-year term. In the event of a vacancy on the board, the unexpired term of that trustee shall be filled by appointment. The new trustee should be nominated by the organization which nominated the vacating trustee.

SECTION 3. The Board of Trustees shall elect a Chair, a Vice-Chair, a Secretary, and a Treasurer from among themselves for a term of one year, each of who shall be eligible for re-election to the same office for one successive term.

SECTION 4. Since the Real Estate and the majority of the funds of both present member libraries are from private gifts and endowments, the respective Boards of Trustees cannot abrogate their responsibility and therefore the System Board can have no jurisdiction over the Real Estate or endowment and gift funds, or personal property now owned or hereafter acquired through endowments or gifts.

SECTION 5. System funds shall be comprised of funds from State, County, county-wide organizations, major foundations, and corporations. All other funds shall be considered local funds belonging to the member library that receives them.

SECTION 6. All funds allocated to each member library by the agreed upon formula must be dispersed to the member libraries since each library by becoming a member of the Greene County Library System acquires and retains the right to its negotiated share of funds.

SECTION 7. The Chair of the system board shall preside at all meetings of the Board, shall authorize all calls for special meetings except as specified in Section 8, shall appoint all committees, shall execute all documents authorized by the system board, shall serve as an ex officio member of all committees, and shall generally perform all duties associated with that office.

SECTION 8. Any three trustees may call a special meeting by written request to the Chair and the Secretary. The Secretary shall then call a special meeting within the time frame of the request.

shall not eliminate the liability of a Trustee in any case where such elimination is not permitted by law.

Such suspension shall not be used to amend these by-laws.

SECTION 3. No board member shall be absent from more than two meetings in succession and retain his seat on the board unless excused by board action.

SECTION 4. Checks issued from any system bank account must be signed by two of trustees listed on the account. The System Administrator is also listed on the account and may sign when a second trustee is unavailable.

SECTION 5. A quorum for the transaction of business at any board meeting shall consist of a majority of the members of the board, said members being present in person.

SECTION 6. Removal – Any Trustee may be removed from such office, with or without cause, by a five-sevenths vote of the trustees at any regular or special meeting of the Board called expressly for that purpose.
