

Unleash Performance, Faster

SERVICES AVAILABLE

- **WORKFORCE PRODUCTIVITY**
Close performance gaps, improve business processes, optimize your tools, build your team, and develop outcome-based requirements and documentation to enhance results.
- **CHANGE MANAGEMENT**
Assess your organization's readiness for change, coach change leaders, and plan and implement successful change projects that improve ROI/ROE.
- **TRAINING**
Design and develop customized training and job aids, or deliver our strategic workshops at your site: decision making for leaders, change management, improving organizational performance for leaders, and analyzing human performance.

IMPROVING ORGANIZATIONAL RESULTS

Silver Bear Group is a consulting firm specializing in organizational effectiveness and performance improvement. We are certified, experienced consultants who help government and commercial clients improve productivity and eliminate barriers to peak performance.

We focus on your most pressing challenges to close critical performance gaps so you can produce better results.

Our efficient, high-impact tools and processes enable us to help your organization unleash performance, faster.

Our specialties:

- Analyzing and improving individual, team and organizational performance
- Enhancing change readiness to improve project ROI/ROE
- Refining processes to improve productivity and efficiency
- Designing and delivering high-impact training and leadership development.

Unlike firms that implement cookie-cutter solutions, we collaborate with you to craft the *right* solutions that ensure long-term results.

How can we help you unleash performance?
