****NEW! Please read!** From time to time skaters miss a session because of a specific reason (appointments, sickness ,weather or vacation. It is a not possible to allow skaters to switch sessions because of these or other reasons all of the time. It is also not fair to the skaters that purchase all 5 sessions/day as they do not have any sessions to switch to. So going forward for the 2017/18 season we will allow **1 switch** per skater no matter what day they skate or how many days per week they skate. We are trying to be reasonable but it has become an ongoing issue. *That being said there will be a few skaters that will make an arrangement /approval from the **beginning** of the days they skate.*
