## COMMANDER AL POST 132, JOSE MARTINEZ

Well the votes are in.

I'm proud to say I will be Commander for another year. It is truly an honor and a privilege to be Commander again. The Adjutant will report on who else has been elected and appointed. We will also be looking for a new 3rd Vice Commander as our 3rd Vice will be leaving us around September or October. So if any Legionnaire is interested in the position, please inform me or anyone on the board.

Things are looking up for the Post. We accomplished a lot of our goals. We are ready to set new ones for the coming year. We are looking to do some much needed building repairs and also to get the parking lots redone. The cost for the parking lots is exorbitant, but hopefully with the help of the City and our neighbors, we'll be able to afford it. Just remember that, when and if the parking lots get redone, they will be closed for a couple of days.

Our Installation Dinner and officer swearing in ceremony will be on June 8, 2017. Hopefully we can fill the banquet room with attendees. All are invited to attend.

The Auxiliary is hosting a Father's Day Breakfast on June 18. Come on down and celebrate the dads.

With all that happens at your Post, please be sure to read the Bugle and remember to provide us with your email so that you can receive the monthly Bugle by email.

## 2nd Vice Cmdr. William Stringfield

Hello, Comrades:

U.S. ARMY

The Post election of officers and board occurred last meeting and I have the privilege of serving the members once again as Second Vice-Commander. What takes some of the honor off is that no one else was nominated for the position. My wish is that more members would become involved with the decisions affecting the Post-either through the election process or attending the monthly meetings.

We do have some fundraisers, the proceeds of which go directly to needy Veterans. On June 5, 2017 the Katella Grill allows the Post 20% of every dinner bill. (Our flier must be presented at time of ordering your meal) The last dinner held there raised almost two hundred dollars. So, I hope we can approach or exceed that amount this time.

We also expect to offer commemorative coins for sale in the near future. They will have the American Legion logo, our Post number and city on them. More info to follow in the near future. As always, we have the shirt program. Our master designer and printer, John Schutz, has a catalog of unlimited designs. Either John or myself can be contacted to view them.

## 3rd Vice Cmdr., Bruce Stevens

Hello Post 132 family members,

U.S. ARMY

I don't have too much this printing but it is very important to me. I am retiring after teaching for 26 years in the Anaheim district. Over the years I have taught Physics, Biology, Chemistry, Astronomy, and Anatomy. It will be quite a change to not stand in front of a room full of teenagers 30 times a week, but I think I will adjust quickly. My wife and I will be hitting the RV trail for the next 2 years starting about September.

I will no longer be able to serve as 3rd Vice so if anyone is interested, talk to Commander, Jose Martinez.

The last event I will be involved in for Post 132 is the Boys' State Convention. Post 132's four attendees will be departing mid June for Sacramento. We wish all of them well. We will feature them on the next Bugle.

Signing off, for now.

Bruce Stevens,  
3rd Vice Commander

## Sid Gauna, Finance Officer

Greetings again Comrades,

Well I thought this was going to be my last Bugle article but I guess not. Looks like I am in for another year, my 12th. Hope this is it! Wouldn't want to do a 13th. Can't say that I am excited about it but I will do the best of my ability to serve the Post as I have always done. I will try not to complain too much because I think it affects me more than anybody else.

So, things went well in April. We collected a whopping \$12.00 from the Donation Box inside the Museum. There were three rentals and a memorial that brought in good sales at the bar. The three upstairs rentals made more money in three nights than the downstairs bar did all month long. Not that the downstairs didn't do well, it's that the upstairs did better.

We received the regular monthly donation of \$100.00 from Robert Mitchell and \$100.00 from Chapman College Filming Crew. The Sons made their \$300.00 quarterly donation and also donated \$100 for the Children's Easter Party. Donations that have come in early this month will be reported next month. Remember, I will still be here.

In the Legion Account, dues barely trickled in. As of 5/12/17, we were at 104.29% at Department. Again, thanks to all that made that happen. Next year Bill Siler iii, our new Adjutant, will be taking care of Membership so I will not be reporting on it. I am going to have to find something else to fill my page in the Bugle. Maybe I can write about my retirement!

The Boys State Fund is still underfunded. Boys State Chairperson Bruce Stevens and his wife Mary donated \$400.00 and Boys State Candidate's parents, David and Cheryl Bui also donated \$400.00 to The Boys State Program. There is still time to make a donation. The Friday night Opportunity Drawings for last Friday in March and third Friday in April brought in \$190.00 for Bugle Expenses. We want to thank everybody for their Donations. Donations that came in early this month will be reported next month.

Thanks to all that come down and support the Post.

All for now. You can call me at (714)371-6247 or email at [sidgauna@aol.com](mailto:sidgauna@aol.com)

**Mike Holmes**  
Sons Adjutant

Members of the Sons of the American Legion are all ages. When you are a part of a great patriotic organization, you feel American Pride and Honor. Most of you are proud to be a member because it is your way to honor your father, mother, grandfather, grandmother or great grandparents. A big Thank You to all who are a member of Squadron 132, and have kept their dues current.

Congratulations and welcome to new members: Kevin Davidson and Ray Pion. We need 8 more members to pay their dues for the coming year in order for the Sons to make 100% in membership. Please take a moment and mail in your check for \$15.00. Your card will be mailed to you immediately.

Cinco de Mayo was a good time for all. We served cheese enchiladas, rice and beans until we ran out of food. Everyone had a great evening of fun with the folkloric dancers putting on an exhibition as well.

We served 30 breakfasts for Mothers' Day. A big Thank You to all those who joined us. Our next dinner is Friday, June 3rd. Menu to be announced. If you can give us a hand in the kitchen that evening, it would sure be welcome.

## Darlene Phillips, Unit 132 President Auxiliary

Dear Members,

Well here we are in June, What's Left of the Month? Last month was Poppy Month and the Auxiliary, with the leadership of Dot Timmerman, we distributed Poppies and on the evening of May 26th Dot will have read "Flanders Field". It's a beautiful poem. We celebrate and memorialize all Veterans. But it certainly is a time of reflection to those who served our country for our freedom and have gone before us.

The Post has really been involved this year with other Posts, City of Orange and other Legion events. I am most proud to be an officer of our Auxiliary. The ladies of our Auxiliary are a great group comprised of loving dedicated women that have hearts as big as the Moon. Working with the Legionaries, AL Riders and Sons has also been very rewarding. We all benefit in knowledge of different aspects of the Legion.

Elections were held in May. We have many new women in our Auxiliary and I have great hopes that many will step into the ring for the election process. Many of our officers have been involved with the Post for many years and some for a few, but nonetheless, all give their time as volunteers to help support all the programs that have been in place for decades. We are the largest Women's Volunteer organization in the country. All that you do is to benefit someone in need. I will give the newly elected officers names in the July Bugle. Our meeting and elections were moved to May 18th. The Bugle would have been published.

We have many things to look forward to in helping our Veterans, community and children. Two of our juniors and I participated in the Anaheim MEU (Marine Expeditionary Unit) on Saturday the 20th. This 5K Run helps to benefit the MEU at Camp Pendleton. The kids and I run twice a year and with the support of the Post, we do it with a smile. Well the kids are smiling....I am in back huffing and puffing but with every breath I have I am thankful that we have the ability to help!

June, what's happening? We have a full Calendar The Auxiliary District meeting will be held in the our Clubroom with the District Delegates voting for the New District Auxiliary for 2017-2018. Ladies, if you are able to attend, it will be an informative meeting. You are all welcome to attend on June 4th at 9:00 am. Then we have installation of our officers along with the Post officers on June 8th (2nd Thursday). The Post will be hosting a POT LUCK before installation upstairs. Think about what you would like to bring. Then Convention at the end of June (22-25) in the beautiful City of Riverside (It's Local). What an opportunity for those of you who might be interested in the election process for the Legion. Well, I hope to see you at as many events that you can attend. **The Auxiliary is hosting a Father's Day Breakfast for all you dads. Dads are free! Please come and enjoy a great breakfast. See flier for details.** The Auxiliary will be DARK (NO MEETING) in July as many are traveling. FOR GOD AND COUNTRY the Legion, Auxiliary, AL Riders and Sons go forth with their work to help those in need. May all be safe over our Summer months with travels and May God Bless All! Be sure to give your email address to The Commander (Jose Martinez) or Esther /Leo Ouellette as they publish the Bugle and with the increase in mailing costs, if you have the ability to receive by email please submit it so we can take you off the US mailing list. Remember you can find the Bugle on the Post' Website: [www.orangepost132.com](http://www.orangepost132.com). Thanks for your time.

Post Support. This Post is very dependent on your active support. As you know, we have a very old and large (3 stories) building and like most of us older members require more maintenance and repairs. In addition to electric, insurance, telephone, janitorial and bathroom supplies, the building requires painting, window replacement, kitchen supplies, appliance repair and replacement, parking lot repaving, and many more things. Our operating income really comes from hall rentals and Labor Day Weekend patronage, and to a much more limited extent bar sales profit, Friday night dinners, and the financial support of the Auxiliary, the Sons, and the AL Riders. Your annual dues provide the Post with very little income, most of the dues go to support our Department (California) and the National Headquarters.

We need your presence from time to time to help us stay afloat, especially on Friday nights. If you could commit to visiting the Post just one Friday night each month it would have a significant impact on The Post's finances, as well as forcing you to get some exercise dancing and the opportunity to socialize with many great people. Although we have a great turnout on some Friday nights, too many Friday nights just have a few of the regulars and the band goes home early.

**Meetings:** Thursday, June 1 is the Post' Executive Committee (Business) meeting; Thursday, June 8 is the Post' Regular Membership meeting.

**Post Participation:** Please consider getting involved in the operation of the Post. I have been serving as a member of the District 29 Executive Committee, visiting other posts within our District. I can tell you that others view us a model and inspiration. Regular and well-planned meetings are absolutely necessary. Our Post is a major operation and a leader in District 29. It needs your help and interest so that we can maintain our services and programs. You will find that your current leadership keeps the meetings moving, shorter in time, and usually interesting. Don't leave it all to a small group of 15 and expect them to do it all! Also, get new members, especially recent Vets! We need young blood!

**USA Naturalization:** I again remind you that if you know of any active or honorably discharged military who are **NOT citizens**, but would like to be, but haven't applied because of the ordinary \$680 filing fee, **they are ENTITLED to file WITHOUT ANY FILING FEE**. Have them contact me for more information.

Please give our Bugle Newsletter editors, Leo & Esther OUELETTE (lmocon@sbcglobal.net; (714)334-2961 your EMAIL address so we can send you the Bugle via email and save postage.

That's my input for June, comrades. Please feel free to contact me at (714)543-9005;
