

A woman with long brown hair and two children, a boy and a girl, are smiling and standing in front of a server rack. The woman is wearing a black and white patterned top. The boy is wearing a blue t-shirt with an American flag design. The girl is wearing a light blue t-shirt with a dog's face. The server rack is filled with various computer components.

RECEIVING A GREAT COMPUTER IS AS EASY AS:

WRITE A LETTER

Each recipient is asked to write a letter/essay explaining why they cannot afford a new computer and how having one will help. Your letter helps us document how we are making a difference. Please include: **YOUR NAME • ADDRESS • PHONE NUMBER • EMAIL.**

If you have a picture of your family, please include that as well.

WE LOVE GREAT LETTERS

CONTRIBUTE FINANCIALLY

Everyone is asked to pay the administrative fee. The fee is based on the type of computer you choose. We are a small IRS-approved nonprofit making a big difference. The amount you contribute is only a small portion of what it actually costs to help you receive a computer. We are constantly working on raising additional funds to help us expand. Feel free to contribute more if you can. Every extra dollar helps.

VOLUNTEER

We have virtually no staff and depend on volunteers to keep going. We sometimes ask people to help test monitors; we can teach you how to image a computer, stuff envelopes or some other task that is needed. If this is a problem, you can request an alternative way of helping to give back.

CALL TO SCHEDULE A TIME TO PICK UP YOUR COMPUTER

You will bring your letter and fees to our technology center when you come to pick up your computer. Alternatively, you can send in a deposit with your letter and then schedule an appointment.

**PLEASE SPEAK SLOWLY, CLEARLY
AND LEAVE A MESSAGE.**

**IF NO ONE GETS BACK TO YOU WITHIN 24 HOURS,
FEEL FREE TO CALL AGAIN.**
