Employment History - Continue

PERFX, Inc. 1995 - 1998

Visual Effects Production House – VFX Supervisor / Owner Partner

- Created PERFX to handle all aspects of a project's Visual Effects requirements from start to finish. Involvement began with designing & budgeting each effect shot, supervising the 1st unit, shooting 2nd unit elements, working with the editor, compositing the shots and on-lining the project. Hired 2nd unit crews for projects that required motion control or 2nd unit photography.

PYTKA 1992 - 1994

Visual Effects Supervisor / Producer

- Worked with Joe Pytka and top agency creative teams on the creation of a project's visual effects. Clients (Nike, Apple, McDonalds, Levis, Pepsi, AT&T, Alamo, AllSport, Doritos)

Post Production Supervisor & Asst. Film Editor 1985 - 1991

Education 1984

*California State University Northridge
Bachelor of Arts in Radio TV Broadcasting
Emphasis in Film Production*
