OCTOBER 2020

CRAIG MEMORIAL  
CONGREGATIONAL  
CHURCH

No worship services right now due to coronavirus. We'll keep you posted!

TOP: New wooden sign created by Bill Kellogg and Ray Herrick. It's been placed against the fence, facing Pearson Road.

BELOW: Our church parking lot was the site for PG&E's community resource center during two Public Safety Power Shutoff (PSPS) events in September. Residents could access Internet and find water, handwashing stations, toilets and information at the center.

TRUSTEES MEETING

10 am in the gazebo at Depot Park; all are welcome as trustees discuss future plans.

# We understand loss... so we reached out

When wildfires devastated small mountain communities in the East Oroville foothills in September, our members could identify with the sense of loss and the needs of so many people.

That's why Craig Memorial Congregational Church donated \$2,000 to the Oroville Salvation Army, even as the flames continued to burn. With the funds, we also sent our prayers.

## Special days:

## Building plans move forward

Church trustees continue plans to move forward to build the meeting hall on the church grounds. Church members and friends are invited to attend all trustee meetings for details.

Trustees are contracting to have the property surveyed—the first step required by the Town of Paradise for rebuilding. Also planned is a thorough inspection of the existing septic system, removal of all of the dead trees and leveling and filling the holes left from the church's former foundation and Plymouth Hall.
