### Update on the Deceased, WILLIAM STONE

On 6/22/2019, the San Jacinto County Sheriff's Office was dispatched to the Coldspring TX area, regarding a deceased subject identified as William Stone. He was found lying on a bed inside an outbuilding behind a residence.

His body was sent to Harris County Medical Examiner for an autopsy (6-22-19). No final autopsy report has been completed and returned to this office as of this date (11-26-19) though we have had several conversations with the Medical Examiner in Houston.

There are no credible leads at this time. It is known Stone was a heavy drug user and there have been several rumors of possible suspects but none have been credible. The rumor of his cell phone being used by a suspect was proven not credible after further investigation.

At this time the San Jacinto County Sheriff's Office Detective Division along with the cooperation of the Texas Rangers are asking for any other leads into this case. If anyone knows anything about this death please calls the San Jacinto County Sheriff's Office at 936-653-4367, and ask to speak with a Detective and or CrimeStoppers to stay completely anonymous at 1-800-392-STOP or 1-800-392-7867.
