I grew up in North Olmsted and have lived in Olmsted Falls for the past 11 years with my son and daughter, two ornery cats and a goofy 3 legged rescue dog. In my spare time (what's that?), I enjoy reading, hiking, baking and Cleveland Indians games.

Prior to becoming an agent, I worked for 22 years as a recruiter for a customer service call center. I really enjoy talking with people, listening to their stories and watching them progress in their careers.

Despite this, I have always felt I wanted to do more. In October of 2015, I lost my beloved husband, Paul, to cancer. This life experience and the realities of dealing with insurance, funeral trusts, and budgeting for the future led me to the realization that I could help others with some of these issues. I specialize in the Senior arena, because I feel that the complexities of Medicare are overwhelming to most people. I also feel that people need to be educated in regards to long term care insurance, income replacement and other insurance needs. I am here to help people find what works best for their particular situation – insurance is not a “one size fits all” type of business!
