

Health Action Team Agenda

Our community will address social, emotional, mental and physical barriers to success for all learners.

March 6, 2018 @ 5:00 pm

Town Center Lower Level Conference Room

Agenda

Time	Task/Result	Accomplished	Some Progress	Not addressed	Notes
5:00	EQ: How do you like to be acknowledged for “good” work? Result: Ready to work together	x			Responses were varied from face to face, public and personal notes.
5:15	EQ: What data sets are we trying to impact when promoting positive relationships between teachers and students? What is already in place and what can we do as a community organization to impact? Result: Decision Made		x		Data to improve: Attendance, grades, REACH survey, MSS K-6 strategies in place. Opportunity to support 7-12
5:40	EQ: How do we proceed with Bright Spots reference checks? What do we do with the nominations that were not selected? What “awards” do you prefer? Result: Decision Made	x			Aspires staff will complete reference checks. Letters will be sent to all nominees. We will consider certificates vs. acrylic awards.

Action Commitments

Who?	What?	When?	Why?
Aspires Staff	Bright Spots references, letters, and awards	By April meeting	To promote these characteristics in the community
Jen Lawhead	Gather REACH data	By April meeting	To identify data points to “move” with our work
Lisa Denzer	Contact Gerard regarding relationship building strategies	By April meeting	To learn about existing resources in our community.
Mary Harders	Research regarding connectedness and contact IMS about relationship building strategies	By April meeting	
Action Team	Create “argument” for importance of relationship building, collect resources for adults in community, promote to community members who work with students in grades 7-12	Spring 2018	To build the capacity of adults in Austin to create a “welcoming” space for young people.
