In his spare time Tony engages in causes that advance freedom, preserve our culture, and honor America's founding principles. He describes himself as socially conservative and fiscally moderate. His values system stems from learning about the horrors of collectivism and communism that his parents suffered in Yugoslavia (present-day Croatia) and led them to seek a better life in Sweden.

PRESIDENT'S MESSAGE —Waskah Whelan

Do you recognize this person?

The Far Left Progressive Busybody...

Busybodies are people that stick their snoots into other people's business...and make it their business! They are *know-it-all-bullies* that want to boss people around and control *everything*.

Their egos tell them they are very important people. They are noble and wise and are making the world a better place.

Actually, it's only their egos that are telling them they are making the world a better place. If they'd look closely, they would see they aren't fixing anything...they are just bossy people that no one likes.

In the old days these people were called Nosy Parkers. Today, they're called Democrats. Somehow they don't understand that people just want to be left alone to live their lives in peace.

Liberal Democrat Busybodies however, will never be satisfied until everyone is yielding to their demands.

*A self-righteous liberal with a cause is more dangerous than a Hell's Angel
with an attitude. Ted Nugent*

***Communist governments control all aspects of a person's life. If we don't want to live the next 40 years behind an Iron Curtain we must stop the Communists, Marxists and Anarchists now. Find the time, find the money and find the will to win this battle!
Trevor Loudon, "The Enemies Within"***

We will have many opportunities in 2022 to help win the battle. Every day without fail, find ways to help Republican candidates reach their voters.

Nothing has changed...we are still the smartest, most motivated, most capable resource the Republican Party has. We are the Republican women with an attitude!

WAYS AND MEANS—Diane Randolph

First thing I want to say is THANK YOU! Our February road show was a resounding success. We collected \$518 dollars which we will use to offset the cost of the candidate forum in May. The board just approved a new way to use future road show funds which I will share with you at our March meeting.

Speaking of the March meeting a little leprechaun told me that there might be a pot of gold just waiting for someone to win so ladies bring your dollars and let the fun begin. See you all on the 8th.

CHAPLAIN—Ginny Wisley

*“I can do all things through Him who strengthens me.”
Philippians 4:13*

Are you courageous? Are you brave? Have you lived during the last few years in a panic, in fear? There has been a little thing called Covid. It has really overtaken our lives & still is doing that with all its variants.

Fear is a nasty thing. It is a tiny little bug. So small but very mighty. It starts anger, wars, compromises relationships, divides families, shatters self-esteem, sucks your life right out of you.

Fear of anything is a reaction. Courage is a choice, a BRAVE choice. The best way to fight fear is with faith. Faith in you, your convictions, talents, gifts, and your faith in God.

If you are going to fight against fear, you will need to be brave & courageous, so why not have the best of the best in front & inside doing the demanding work?

PS: Happy Women’s History Month, International Women’s Day on the 8th & St. Patrick’s Day on the 17th!

March is *Women's History Month* – commemorating and encouraging the study, observance and celebration of the vital role of women in American history.

MEMBERSHIP—Laura Landegent

Membership Moment

Freedom is under open military attack in Europe. The right to peacefully assemble has been removed from our neighbors to the north. A tall fence has been constructed at our Nations' capitol in anticipation of a protest by our freedom loving truckers. Our next Supreme Court Justice has been nominated based on her appearance, rather than her credentials. It's obvious that something is horribly wrong in the world. In my humble opinion, that something is the weak and wrong headed leadership of the current administration.

We have work to do ladies! Because we all know, many hands make light work, growing our membership is the right thing to do. Thank you to all who have already renewed membership for 2022.

WELCOME to our new members in February:

Marilyn Fox
Katherine Smith
Kathy Steadman
Flora Thompson
Lisa Tolnay-Waldon

New Associate Member: Rene Trevino

Did you know, we also have a category for Associate Members?

Definition: Any RWC club may grant associate membership to Republican men OR to Republican women who are regular members of another RWC club. While associates cannot be voting members, they can certainly participate, volunteer, come to our events, receive our newsletters and join in the fun!

EVERY LAWFULLY CAST VOTE ACCURATELY COUNTED

Fight or Flight?

Thomas Paine

“THESE are the times that try men's souls. The summer soldier and the sunshine patriot will, in this crisis, shrink from the service of their country; but he that stands by it now, deserves the love and thanks of man and woman.

Tyranny, like hell, is not easily conquered; yet we have this consolation with us, that the harder the conflict, the more glorious the triumph....”

Today is March 1st.

This is a momentous date for EIPCa.

Today the Volunteer Button for the 2022 Primary Election goes LIVE.

EVERYONE wishing to Observe with EIPCa for the upcoming 2022 Primary Election (scheduled for June 7th)

MUST sign up on the EIPCa website to get started.

We cannot train or deploy anyone who has not completed steps #1 through #5 listed on our Volunteer page.

Go to the website (<https://www.eip-ca.com/volunteer/>) and follow instruction steps.

The DEADLINE to sign up to volunteer is March 31, 2022.

DO NOT DELAY!

Let's make this the most successful oversight year ever for ELECTION INTEGRITY.

We know citizen oversight makes a huge difference: just ask our fellow citizens in VIRGINIA.

When citizens step up and allow nothing to happen in the shadows or behind closed doors, the true voice of the citizens comes through LOUDLY and CLEARLY.

This can happen in California!!

EIPCa encourages EVERYONE to do SOMETHING:

- Apply with your county to be an election season worker
 - Apply with your county to be a poll or Vote Center worker
- Volunteer for citizen oversight with EIPCa (see above)

TOGETHER WE CAN

TOGETHER WE **MUST**
