

## **Dr. Kathleen A. Weber**

Dr Weber gained her love of medicine and science at a young age while growing up in Northern California. She received her Bachelor of Science degree in Biology and Psychology with Honors from St. Marys College of California and continued to medical school at Kansas City University of Medicine and Biosciences- College of Osteopathic Medicine to earn her D.O. Degree. Dr. Kathleen A. Weber completed her Pediatric Residency at Los Angeles County + USC Medical Center. During your office visit you may see Dr. Weber enjoying her passion of teaching medical students, helping them gain skills and knowledge in Pediatrics.

Dr. Weber has over 16 years experience taking care of children with ADHD and other developmental differences.

Outside of the office, Dr, Weber enjoys spending time with her teen daughter, enjoys cooking, watching movies, and attending music events. She loves outdoor walks and hikes and spending time with good friends and family.
