OCTOBER 11TH, 2017 - CVTTH MONTHLY MEETING MINUTES

DIRT

Our regular scheduled meeting on the 4th of October was moved to 11th due to the facility being closed for a city function. We met in the small room in the back with 11 members present.

Treasurer's report shows \$255 with \$100 spent on Walmart gift cards. Nominations for new officers were solicited for 2018 club season. Fred will not be seeking re-election as vice president. Thanks go out to him for his past support and dedication. Next, Gayle showed us her I love NY token information/article as well as all her other tokens she has collected. *(see pics on page 2)*.

FISHIN'

We started two new fundraisers for the club during this meeting. Glenn and LD put together a marble game of chance. A large container filled with clear marbles and only one colored marble. For \$1 you draw three marbles if you get the colored marble you win the donated prize. If no winner that month a new prize will be added at the next event, all proceeds from this fundraiser goes to the club. The first prize donated by LD was a 1971 silver dollar proof coin and a nice commemorative. *Thanks to Glen and LD for putting this together.*

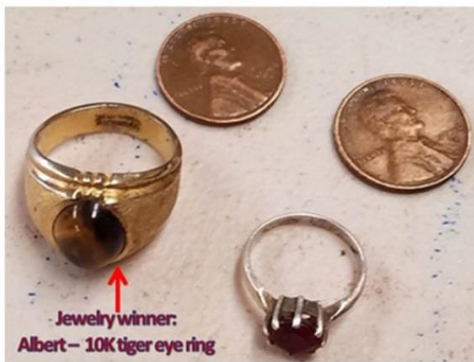

The second fundraiser includes 25 different bolts with matching nuts. All of the bolts are in a box, for \$1 you draw one bolt. There is a single matching nut in a closed container. If you match the hardware you get to split the pot 50/50 with the Club, if no winner matches, the pot grows each month. Good luck to everyone and thank you for supporting the club. We scheduled one hunt at Christoval Park on 28th October at 9 am and Allamay will contact the schools to acquire permission. Next, Best finds of the month (October 2017) by category were presented:
