The Webster Dictionary says that vision is the ability to perceive something not actually visible, as through mental acuteness or keen foresight {a project made possible by one man's vision}.

Listen to what the Bible says in Proverbs 29:18

KJV—"Where there is no vision, the people perish"

NIV—"Where there is no Revelation, the people cast off restraint"

NLT—"When the people do not accept divine guidance, they run wild"

NASB—"When there is no vision, the people are unrestrained"

Let me translate this verse where we can understand it.

Where there is no Project New Start or New Life Children's Home, the struggling adult and child would have no hope for a better tomorrow.

A family with no vision becomes dependent on others.

A church with no vision is a dying church.

A city with no vision will become a broken society.

We need vision and plans for our future. The church must offer safe havens for those who are seeking refuge, with Biblical beliefs that line up with God's ways, and the Bible. God's word has the cure for every problem in life. John Calvin says "When the church is the church—that is when the marks of the church are evident. The culture around the church is inevitably transformed".

God has called, anointed, and favored our ministry in these areas of his work. This New Year, Project New Start has vision and plans to grow and prosper, doing God's work, being his hands, and his feet in a lost world. In order for these changes to become reality it is going to take your help. So partner with us at Project New Start, "Where God is Changing Lives".

Pastor & Founder

Project New Start is looking for clothing donations for both men and women of all sizes. Many of our residents come in with only the clothes on their back. They have no money or family to help them out. It becomes our job to help them get the clothes they need. Since this is a new year we are asking you to get into your closets and pull out those old clothes you no longer wear and bring them to New Life Church 1417 Dewey, Newport, AR 72112 and help us to take care of our residents.

Thank You and God Bless You

Give Hope A Home

In a world with too much hurt and too little hope, children suffer the most. From the pain of hunger to the despair of abandonment, from the hurt of abuse to the loneliness of neglect, children are vulnerable and have the greatest need and the fewest resources for help. Everyday in America it is estimated that some child suffers some form of abuse or neglect every day. Who do they have to turn to? Where can they go to be safe? The New Life Children's Home will be a home where love and hope abounds. It will be a home where children will have someone they can depend on and turn to in times of need. It will be a home where they can feel safe and secure. At the New Life Children's Home, a child will receive a chance for a new start in life and learn about the love that our Lord and Savior has for them and the hope that He gives to everyone who believes in Him.

Dear Mr. Jesus

*Dear Mr. Jesus, I just had to write to you
Something really scared me, when I saw it on the news
A story 'bout a little girl beaten black and blue
Jesus, thought I'd take this right to you
Dear Mr. Jesus, I don't understand
Why they took her mom and dad away
I know that they don't mean to hit with wild and angry hands
Tell them just how big they are I pray
Please don't let them hurt your children
We need shelter from the storm
Please don't let them hurt your children
Won't you keep us safe and warm
Dear Mr. Jesus, they say that she may die
Oh I hope the doctors stop the pain
I know that you could save her and take her up to the sky
So she would never have to hurt again
Please don't let them hurt your children...
Dear Mr. Jesus, please tell me what to do
And please don't tell my daddy
But my mommy hits me, too.
Please don't let them hurt your children...*

Within these bright & shining walls,
God holds a golden key to rooms,
Of safety, warmth and peace,
May all our days be filled with trust,
Nights blessed from above,
And as the weeks pass tenderly,
May this roof shelter love.
