## **NSBEA & NBEA Membership Recruiting Activities:**

- ❖ Monthly contacts of members decreased with lack of notification from NBEA memberships

### **FBLA Adviser/Member Badge Ribbon Recognition:**

- ❖ Before the 2020 SLC was cancelled, FBLA Advisers were a target audience to earn badge ribbons for the State Leadership Conference. A number of advisers joined both NSBEA and NBEA so they and their SLC students earned the ribbons.
- ❖ 1100 two-inch ribbons were ordered and received (not dated so they can be used in 2021, assuming the initiative will continue)
  - \$242 cost will be divided from NBEA and NSBEA promotional dollars and \$100 anonymous donation
  - Information for the promotional dollars will be outlined in the June membership report.

### **Other Activities (since October Board Meeting)**

- ❖ Processed membership dues
- ❖ Prepared a membership list for NSBEA TODAY newsletter published in the spring newsletter
- ❖ Update membership list as I receive online or mailed payments
- ❖ Continuing recruiting efforts and trying to find new and innovative ways to recruit new members.
- ❖ Planned to have NSBEA table at NETA Conference (Teresa Feick was going to set up the table, etc.) until conference was cancelled

### **To Do:**

- ❖ New Membership form (for online) for 2020-21; some teachers are wanting to pay now from current school budgets; will need to include new Membership Director information
- ❖ If Membership Dues are increased, timelines need to be determined
- ❖ How will promotional dollars be utilized as no traditional member drawings at NCE Conference
- ❖ Clarification of student dues (teachers in transition programs are wanting to join as students)
