**Kindergarten Tours 2020-21**

We are excited to show you Baldwin Elementary School!

Tours for parents and guardians of prospective kindergarten and transitional kindergarten students are scheduled from **9:00am-10:00am** on the dates listed below. We would like to invite you to arrive at 8:45am for coffee and to chat with current Baldwin parents. Please meet in the office, a Baldwin parent volunteer will greet visitors there and will lead prospective parents/guardians on their tours.

The tour will begin with a general orientation and end with a brief Q&A session with the Principal. Tours are for parents/guardians only. Please keep in mind that tours will visit all kindergarten and transitional kindergarten classrooms and we want to be considerate to learning environments. We encourage young children to stay at home or at daycare, although infants in a carrier or backpack are welcome.

Tour Dates for 2020-21 Prospective Families:

- Wednesday, March 25
- Wednesday, May 13

No other tours are offered and space is limited. **You must reserve your space for a tour.** Note that the tours are led by current parents of Baldwin School. It is a great time to get a feel for the school. The volunteers are not experts and may not be able to answer some of the technical questions but they are great for showing you around and getting a feel for the community. The Q&A session with Principal Barlesi will be the last 15 minutes of each tour.
