JUNIOR MAGAZINE SALES END!

The Class of 2016 magazine sales campaign ended September 10, 2014. The goal was to sell 250 new or renewal subscriptions, and this class nearly made that in the last days of the campaign by selling 224. It takes 8–12 weeks for the orders to be processed, so it will be November or December before new subscriptions begin to arrive. Renewals will start at the end of your current subscription. If there are any questions about the order you placed, refer to the telephone number on the back of the pink slip the students left with you. A friendly voice will be there to help when you call Great American Opportunities, Inc. at 877-289-6247 Monday through Friday between the hours of 8:00 a.m. and 5:00 p.m. CST. The company website www.GAOTrak.com can also be contacted.

The top seller this year was Julius Dickmander with 50 orders. He was followed by Grace Kotschwar with 44 orders, and Alexis Mentzer with 40. Students selling 20 or more were Jacob Lunkwitz, Tiffany Hill, and Tessa Triplette.

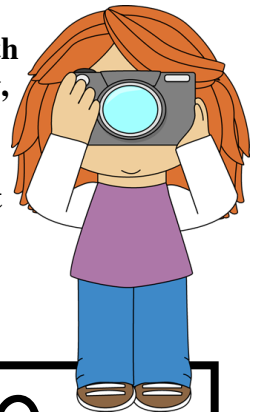

Thank you for supporting this South Platte activity with your purchases and, in a number of cases, donations. Because of your generosity, these juniors will need no other money-making projects this year or next. This year's profits will go toward financing prom and meeting graduation expenses. The upcoming junior class looks forward to next fall when they can help you with your magazine subscription renewals.

THIRD GRADE RECYCLING PROJECT

Mrs. McClung's third grade class is once again collecting recycling around the school. Each room has a bin that the students come around and pick up each day. This is the fifth year that the third grade class has taken on this daunting task and we thank them for their efforts.

FALL PICTURE DAY

Picture Day for South Platte School will be Wednesday, Oct 22nd. Individual and fall sports pictures will be taken at this time. Information will be sent home at a later date.
