Founder's Award

Introduced at the 1981 National Order of the Arrow Conference, the Founder's Award was created to honor and recognize those Arrowmen who have given outstanding service to the lodge. The award is reserved for an Arrowmen who demonstrates to fellow Arrowmen that he or she memorializes in his or her everyday life the spirit of achievement as described by founder E. Urner Goodman and co-founder Carroll A. Edson. It was established to reinforce the values first instilled by the founders in the early days of the Order. From its inception, The Founder's Award has been highly restricted and bestowed only upon those individuals who best exemplify the vision and quest of the founders.
