Part III, Line 1a - Terms for Not Reporting Assets Per SFAS 116

As of the filing of this Form 990, the Museum had not completed an audit of financial statements. A preliminary draft of the financial statements includes the following note: Accordance with accounting policies generally followed by museums, the value of the Museum's collections is not reflected in the consolidated statement of financial position. The Museum's collections policy requires that the proceeds from the sale of collection items be used for acquisitions to the collections. If the assets used to purchase collection items are sourced from restricted funds, proceeds from the sale of those items are recorded as increases in temporarily restricted net assets in that fund until an acquisition is made.
