Triple 8 Spa and Wellness Clinic Welcomed Local Community with Open House Celebration

Orlando, FL – March 21, 2018 – Orlando residents and business owners were warmly greeted with a special Open House Celebration hosted by Triple 8 Spa & Wellness, a skin and weight revision clinic located in southwest Orlando. The event, held Saturday, March 17, included a ribbon cutting ceremony to recognize the second year of service the business has provided to Orlando residents.

“The Dr. Phillips Chamber of Commerce congratulates Corinthia Loblack, Owner of Triple 8 Spa & Wellness Center, for all her help, support, and work in the beauty and health industry,” notes Chamber President Maggie Rosario. “Keep up the GREAT WORK!”

The event included facility tours, networking, door prizes, complimentary food and drink, and demonstrations of solutions for achieving optimum health and wellness through proper skin care and weight management.

“We thank everyone who came out and supported us,” notes Corinthia. “Our Open House event was held to encourage members of the local community to stop by and get acquainted. We had a wonderful time making meaningful connections,” she states.

ABOUT TRIPLE 8 SPA & WELLNESS

Triple 8 Spa & Wellness is a Skin and Weight Revision Clinic, based in Orlando, Florida. The facility’s signature product, Danne’ Montague-King (DMK), is a highly sought-after enzyme therapy designed to improve skin’s ability to function by dissolving dead cells and impurities. Other specialty services include: facials, massages, body treatments, enhancements, microblading, waxing, weight management, and a customized bridal program.
