

The Villages of Devonshire Welcomes our New Neighbors!

The Welcome Committee of the Villages of Devonshire would like to welcome you to our community, and hope that your new villa is everything you want it to be! As our new neighbor, we are sure that you must have questions about living in Devonshire. So to that end, we have prepared the following information for you to have and to use.

Board of Directors: These are the folks who have volunteered to oversee the association's responsibilities, and assist you with problems you may have, and answer your questions about the neighborhood.

Summary of Regulations: This summary will give you an overview of what the rules are for the community, and help you get familiar with them.

List of Neighbors: This is our latest list of neighbors to help you "get to know your neighbors". It is updated periodically, as folks leave and new ones arrive.

Numbers to Call: This is a list of numbers to call for assistance, as well as businesses nearby that you might want to use.

We once again want to welcome you to our neighborhood and to your new home, and hope to see you in the neighborhood real soon!
