

Motor Carrier Compliance for Trucks and Buses

We offer assistance to groups and/or individuals based on the guidelines of the U.S. Department of Transportation (DOT). Preventive services and/or assistance to help with scheduled compliance review audits. Hands on conduction of roadside inspections, and defensive driving skills taught to avoid accidents, speeding, seatbelt violations and commercial vehicle cell phone usage.

Policies & Requirements:

- Drug & Alcohol Testing
- Commercial Drivers License (CDL)
- Insurance
- Requirements for Authority
- Safety Rating
- Driver Qualifications
- State & Federal Laws
- Log Book Guidelines
- Vehicle Maintenance Files

Courses Offered:

- **Alive at 25**

The SC National Safety Council Defensive driving course offered to drivers 15-25, and designed to be an early intervention program to help prevent traffic violations, collisions, and/or fatalities. The focus is to help young drivers adopt safer driving habits and to be aware of driving hazards.

- **State Law Required Driver Training**

Students ages 15-16 years old, are required by State Law to have 8 hrs of classroom instruction and 6 hrs behind the wheel training.

- **Behind the Wheel Driver Training**

Students ages 17 and older are taught to successfully master the skills needed to acquire a drivers license.

- **Third Party Testing**

This class is offered to students and individuals who have never acquired a SC drivers license. Learners permit testing are offered to groups of 10 or more. State Law requires that those who have never had a license, will need to hold a learners permit for 180 days, before proceeding on to acquire a license.

- **Defensive Driving**

8 hrs and 4 hrs training available to individuals, truck and bus companies.

- . *Insurance Discount*
- . *4 Points Reduction*
- . *Reduce Accidents*
- . *Safety Guidelines*
- . *Driver's License Testing*

As our name implies, Parnell's Driver Training & Services, LLC, offers all kinds of driver training classes geared towards clients who need to learn how to drive, as well as towards those who need to remain compliant with all of the rules and regulations out there.

We are certified through AAA and The National Safety Council, as well as by SCDOT as a DBE firm. Driving can be risky, but with the proper instruction and hands on training, the potential for roadway crashes can be greatly diminished.

Not only is it important to be a safe driver who complies with all of the regulations out there, it is also imperative to be a defensive driver.
