

Bowie County 4-H Veterinary Science Schedule

2022-2023

Misty Edwards & Cherrie Curtis – Project Leaders

Meetings will primarily be held on the 2nd Thursday of the month

5:30 – 7 p.m.

in the Bowie County Extension office

This is a TENTATIVE schedule – as we work through the information, we may substitute a field trip or special session for the planned chapter. Some chapters may require more attention than we have allotted. In these cases, we will move lesson to the next month.

There will be some assignments as we go for you to complete on your own as well as volunteer hours working with a veterinarian
