DESCRIPTION: While the BP Colt was a budget conscious bow, it had a reputation as a great looking and performing recurve. I shot a BP Colt as my hunting bow in high school. This Colt is a nice one. Olla riser. Bow has no delamination; no cracks; limbs are straight. Tips are in great condition. No drilled holes; No chips, dings or cracks. No significant stress lines or crazing (one extremely light superficial stress line in the riser fade-out that is barely visible) A few minor scratches and nicks here and there. Decal is in excellent condition. Overall, this is a really nice bow in excellent condition for its age.
