FCCLA Chapter News

Earlier this year, 3 students took an opportunity to attend a leadership training in Bozeman. Justin Machart, State Officer assisted in running the training. Karli Baker and Kiera Tuggle attended as well. The conference theme was UP: Unlimited Possibilities. Each student represented our school and community very well.

On November 9th, 2016, Justin Machart, District VIII President led the District Meeting consisting of 3 schools, Glasgow, Plentywood and Scobey. Twelve Scobey students attended the meeting in Glasgow. Karli Baker, former District VIII President, led a workshop for all attendees to participate in, each received information on improving one's self-esteem. Former Scobey graduate, *Kayli Christophel*, MPAS, PA-C - from Glendive also led a workshop on relaxation and stress reduction techniques.

Two students were elected to office for the upcoming year: Trey Girard, 1st VP and Kylee Cook, VP of Programs. Throughout the District meeting, Scobey students participated in a variety of workshops, attended career opportunity tours throughout the Glasgow Community and were involved in a Business Meeting. Former graduate, Kimberly Handran, graciously helped to chaperone the students throughout the day, a big thank-you to her for her time and expertise.

The students are busy preparing their individual and team event projects. They are also working on fund-raising to assist them in completing their goals and attending state conference in March. Thanks to all who have been supportive in purchasing Bequet Caramels – made in Bozeman.
