Gloria Harpenau

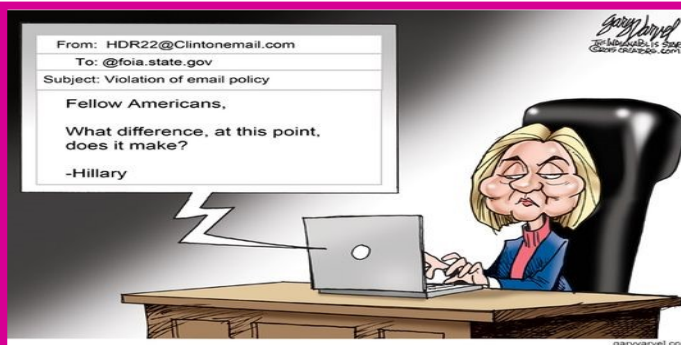

To our wonderful steadfast and new members. We are doing great with our membership which is currently 128 Members and 22 Associate Members. Our club has always prided ourselves in achieving the Republican Women's Diamond Award. One of the objectives is to grow last year's Membership by one more member. I need your help! We need 8 more members to reach our objective of 136 members for this year.

How can you help? Do you know someone that has attended in the past and you do not see them at our meetings? If so, check with me [gharpenau1@cox.net](mailto:gharpenau1@cox.net) to see if they have renewed and your paths have not crossed. Or maybe you could reach out to them and encourage them to renew.

There will be two great upcoming events to which you could bring a friend and hopefully a new potential member! Our annual Meet and Greet on April 11<sup>th</sup> and our exciting April 14<sup>th</sup> dinner meeting. These are wonderful opportunities to introduce your friends to our active Navajo Canyon Republican Women's Federation. Looking forward to seeing you on April 11<sup>th</sup> and April 14<sup>th</sup>.

Since our meeting in April is an evening affair and a rather festive one at that, I will not be passing around a volunteer hour sheet. If you would provide your volunteer information for March via email I would greatly appreciate it.

We need your total political hours and your community volunteer hours.

Political hours encompasses voter registration, working at Republican headquarters, fundraising, precinct walking, phone banks, communicating with representatives, general meeting, committee work, report presentations, SDCFRW/CFRW/NCRWF meetings, getting ready for those meeting, conventions, club fundraisers or getting ready for those fundraisers.

Community hours include the following: church, library, hospital, senior centers, homeless, schools, colleges, universities, on-profit organizations, military outreach, youth groups e.g. soccer, softball, basketball, etc.

If you would email me the information I would appreciate it. My email address is: [diane.randolph@att.net](mailto:diane.randolph@att.net)

April is Navajo Canyon month at the New Citizens Ceremony. We will be hosting the duties with the Foot-hills club. And as always, our fearless leader, Judy Rees, will be orchestrating the show!! Ladies, this is so much fun and so vital to our efforts. Thank you to our members who have already signed up to join the fun.

April 22nd will be our 50th consecutive month to be at the Golden Hall Ceremonies. We plan to have a BIG Celebration and need as many volunteers as possible to make a good showing. We want to cover the entire concourse with Volunteers, so save the date!! And plan to come!

We are going to meet at trolley stops Grossmont and Grantville on that day if you don't want to drive or carpool. We need to be downtown by 10 am. You can find maps and timetables of the trolley schedule at [sdmts.com/trolley](http://sdmts.com/trolley).

The "Navajo Canyon" Ladies, did it once again! At the March meeting, you donated \$875.00 to our project Action Track Chair . *You are the ones* that are making sure we get to the finish line sooner rather than later. *Our club has donated over half of the money collected for our catastrophic wounded warrior action track chair.* We are getting so very close to monies needed for the chair that I have chosen our recipient. I am anxious tell you all about Brandon at our next meeting. Hopefully, I will be much closer to that \$17,500. I will give you the exact amount collected cumulatively from all the SDCFRW since we first collected on April 10, 2014.

Our member, Dr. Willa invited me to speak to her philanthropic group Altrusa. I was so surprised when they made a motion to donate \$1,000. Willa and I had great ride home chatting it up about our exciting and very successful evening. I was totally aware that Altrusa only donates once a year (in the fall) to so many deserving and wonderful organizations. I almost fell off my seat when the motion was made and passed unanimously by their membership. Thank you Dr. Willa and Altrusa.

To all the ladies that wrote checks at our March meeting for Action Track Chair, please forgive the slow process of getting your check deposited. I have to wait to see the San Diego County Federation of Republican Treasure to give her our money. I have been ill and unable to drive to Valley Center, Ca to deliver her our checks. I am not comfortable with the postal service possibly not delivering the money for one reason or another. Our money is safe and will deposited in the very near future. Thank you for your understanding, love and support.

*Easter Blessings my dear friends!*

## Opinion: Here's What an Almost Perfect Tax-Reform Plan Looks Like

Diane Furchtgott—Columnist—Market Watch

As April 15 approaches, many Americans would welcome a simpler tax plan.

Sen. Mike Lee, a Republican from Utah, and Sen. Marco Rubio, a Republican from Florida, who is about to declare his candidacy for president, have published a draft tax plan with only two rates and an expanded child credit.

But under their plan, tax rates will rise on some singles and married couples without dependent children. As Lee and Rubio refine their plan, they should consider adjusting the rates and tax brackets so that no group gets a tax increase.

Everyone agrees that simpler is better. Lee and Rubio suggest replacing the current set of seven individual income tax rates ranging from 10% to 39.6% with two rates, 15% and 35%. They get rid of the alternative minimum tax, which now layers a second tax system on top of the basic one. They end the marriage penalty, because their tax bracket for two people is twice as high as the bracket for one person. They get rid of the complexities of interest: It would be no longer counted as income nor deductible as an expense, except for some mortgage payments. Children get an additional tax credit of \$2,500, a credit that is refundable against income taxes and payroll taxes.

## Chaplain's Words of Inspiration — Ginny Wisley

As I was writing this report, I pondered how to combine a “ministry” thing that also aligns with the Republican Party. Sometimes, it comes easy; sometimes, not so much! It's the later times that I find myself looking to my “friend” in wackiness: Suzy Toronto. She usually pulls through.

Easter season is upon us. It's the time when Christians praise the resurrection of our Risen Lord; for the Jewish faith, it's Passover. They are intertwined events. But as different as the religions are, they both show the newness and protection of God in Heaven. They bring to life our importance & our meaning. They give us our base to stand forth in the work we do. We bridge from the meal of Passover to the moving of the stone.

This is our season of thankfulness, joy & remembrance. This is our season to emerge as women of power & purpose. And do that we must.

Now back to Suzy .... In her book "*The Sisterhood of Wonderful Wacky Women*", she combined these efforts so perfectly & aptly to our lives to better the community of America:

*"She chooses the purity of truth over popularity... Everytime.*

*Possessing the moral courage to make her action consistent with her knowledge of right & wrong.*

*This Woman's life defines such words as love, forgiveness, charity, service, compassion and godliness.*

*For she knows who she is & what she believes.....*

*Her integrity is founded on unswerving principle....*

*As she carries the banner of truth.*

*Everyone knows: She stands for something."*

Let us remember we are one people, with one goal, to work together in compassion & godliness for this great nation & that we stand together!
