

Beginning

Belief in 1 GOD gives us the 1 FAITH !
1 FAITH is our moral strength.

Faith is an emotional need. 1 **GOD** wanted only 1 **FAITH**! For Custodian Guardian 1 **FAITH** gives moral strength. It sustains us through explaining, guidance, must do, prayer, Learn & Teach, community belonging.

Absorb the 1 **FAITH** so that it may touch your heart and become a permanent part of your thinking. Think and live the 1 **FAITH** each day every day. Let 1 **FAITH** influence your actions whether they are conscious or subconscious.

Worship 1 **GOD** use relevant prayers.
People with faith are blessed, 1 **GOD** loves them.
People without faith live wasted useless lives.

The 1 **FAITH** came about:

The humble scribe noticed the ever increasing spread of corruption, immorality and greed. Causing suffering, misery locally and around the world. The humble scribe asked, “Why **GOD**”? “Please help Dear **GOD**”. “**GOD** what can Humankind do to live up to its destiny”?

For a long time the humble scribe received no answer. One day the humble scribe felt an overpowering presence. The scribe received a message via a thought. “**Are you ready to accept the answer**”. The humble scribe got a terrible painful headache, overcame by fear, he had to lie down.

Time passed, again world events made the humble scribe address **GOD** asking his usual questions. No answer, 3 days later the overpowering presence was back, asking the humble scribe the same question. Again the humble scribe was afraid to answer.

Time passed the humble scribe again became upset with the suffering and misery in the world. The humble scribe kneeling, looked up and said, “Dear **GOD** I believe in You and only You, I am ready to receive the answer”.

In due course the humble scribe felt the presence it was **GOD**. **GOD** asked the same question, “**Are you ready to accept the answer**”. The humble scribe felt fears overcome him but he replied “Yes Dear **1 GOD**”. The communication the humble scribe received. Was to write down the thoughts and make them available worldwide, in every language. **1 GOD**'s latest message replaces all previous.

Everything is compiled in the “**Law Giver Manifest**” (LGM). It is to be made available to all. The 'LGM replaces all previous messages making them obsolete.

The “**Law Giver Manifest**”

1 GOD has doubts about Humankind!

1 GOD's previous messages have largely been ignored.

1 GOD's warnings have been ignored.

1 GOD will make Humankind listen! (see Prophecy)

When **1 GOD** instructed the humble scribe to write down and compile all messages, '**1 FAITH**' was born. **1 FAITH** is a religious, social justice, philosophy. **1 FAITH** supports community living. The community raising of children. **1 FAITH** is the only Religion acceptable to **1 GOD**. Every thing else becomes outdated cults.

Outdated cults are shunned! They are replaced with: **1GOD 1FAITH 1Church Universe Custodian Guardians**. Outdated cults religious writings are replaced with the 'Law Giver Manifest. Supporters of outdated cults are encouraged to update:become Custodian Guardian **For the Glory of 1 GOD & the Good of Humankind**.

The **1 FAITH** supports numbers, '7' is divine. Human understanding of numbers, mathematical equations and geometric symbols paved the way to build civilizations. Human understanding needs to further expand (Space).

Custodian Guardian believe that the Physical Universe and everything in it is imperfect by design. Therefore the UCG Heptagon an imperfect 7 angled,

7 sided polygon its sides are of different lengths its angles are of different degrees. Is the ideal **1 FAITH** symbol of recognition.

The Heptagon symbolizes **1 GOD's** imperfect Physical Universe and 7 day week. The 7 angles symbolize, the 'Law Giver Manifest's 7 Chapters and 7 Scrolls. The 7 sides symbolize, the 7 Tribes and the 7 1Church Universe Custodian Guardians administrations.

1 FAITH is written on **7 Scrolls**:

1. Belief > 2. Obligations > 3. Privileges > 4. Failings >
 5. Virtues > 6. Khronicle > 7. Afterlife
- They form part of the '**Law-Giver Manifest**'.

1 FAITH introduces New Age time management:
C.G. (Custodian Guardian) Klock ~ Time Triangle ~
Day Timeline ~ Night Curfew ~ C.G. Planner ~ C.G.
Kalender ~ Funday themes ~ C.G. Khronicle ~ C.G.
Quattro Almanac ~ Control time.

Everything in the Physical Universe has a beginning and an end. End leftover is recycled for new beginning (Reincarnation).

People of the **1FAITH** are **Supporters**. Supporters are addressed as: Custodian Guardian + 1st name or C.G. + 1st name. C.G. is used when texting.

1 FAITH Supporters meet every week at Gatherings. They try to bring new people. They pray:
