March 2008

President's Message

2008 is off to a fast paced start for the GSPC INDIANA! The Club has already been involved with hosting a booth, and performing dog demonstrations at the Boat, Sport, & Travel Show; had our February Meeting; held our Specialty Show & Sweepstakes; and enjoyed our Annual Meeting at the Brickyard Crossing Motel. I would like to take this opportunity, on behalf of the entire membership, to Thank Ron Ferris for his countless contributions he has made to the club during his past 2 years as President and look forward to continuing his efforts throughout my term in this position.

On the last week-end of 2007, Alan Montgomery organized a well attended Youth/Ladies Hunt at Barns Game Farm, thanks to all that helped out with this activity. It is my pleasure to announce to the entire membership that Giles & Delores Hoyt along with Bill & Nelda Wert were presented with Honorary Lifetime Memberships to the Club at the Annual Meeting. Thanks to the hard work and efforts of Specialty Show Chairperson Jessica Crossland, and the Show Committee, I am told that this entry was the largest number of entries that we have ever received for our Specialty Show! As always, Andy Giegold and Ron Ferris were able to present another great set of demonstrations at the BS&T Show this year. Thanks to all that helped with this and manned the booth throughout the course of the show.

Looking on the horizon, the remaining 10 months of this year look to be as jammed packed as the first two have been, and I know that the committees involved with each planned activity will be looking for your help to pull these events off with the degree of excellence that the Club has become known for. I encourage every member, to become as active as you can with the Club, enjoy what the Club has to offer, self invest back into your Club by promoting membership and participation to your hunting buddies, puppy buyers, training clients, and Shorthair acquaintances you meet along the way.

Tim Conley

2008 Boat, Sport, & Travel Show

This year's expo was very successful for the GSPCI. The crowd was surprisingly large considering the price of gas, economics and the fact that the Daytona 500 was being run on the 1st Sunday during the demos. Many people who own GSP'S stopped by the booth to chat about their dogs. Several new members were signed up during the week. Credit for this goes to the members attending the booth and their encouragement of the people to get involved with club activities.

A big thank you to the following members who helped with the demonstrations: Andy Giegold presented a brief seminar on teaching whoa, here & heel. Casey Conley demonstrated handling in confirmation and obedience, Tim Conley in retrieving, Steve Hammond, Andy, Tim, Ron, Chris Snyder, James Kershaw pointing demos. Many other members manned the booth throughout the week and we appreciate their participation very much. Working together is what makes the club strong & we look forward to lots of other activities for the membership under the direction of our new President Tim Conley.

Chairman BSTS

This little girl from the audience was glad to lend a helping hand when it came to helping out with Argo & a colorful pigeon @ the BS&T Show!
