

Don't miss our upcoming Holiday Concert...

Celebrating 30 years of serving San Juan Capistrano!

Christmas Concert

Sunday, December 22, 2024
5:00 p.m.

Christian Science Church
31897 Del Obispo
San Juan Capistrano

Come join Matthew and Davya for a free contemplative evening of healing Christmas music from their newly released Christmas album **The Dawn of Love**.

This second album from the **Love Only Grows** duo focuses on the dawning of the Christ in human consciousness and how it comes to the world to extinguish darkness through unconditional, divine Love.

About the Duo

Davya (Fairbanks, AK) met **Matthew** (Austin, TX) through one of the songwriting workshops he has been teaching for the past decade. This particular workshop was on Zoom and allowed her to join from her home in Alaska in October 2020 where they quickly formed a warm, unique blend of their individual styles. The **Love Only Grows** music ministry was founded in 2022 just before releasing their debut album *Love Only Grows* and has them touring all across the U.S. singing with churches, interfaith groups, nursing facilities, youth groups, CS camps, and prison ministry groups.
