

# CORE DANCE ACADEMY

## Pre Ballet & Creative Movement

PreBallet/Creative Movement is a fast-moving, 45 minute, once a week class designed for children who are 4 & 5 years old.

\*6 year olds with no dance experience or 3 ½ year old on a trial basis. Everything presented is developmentally-based and age-appropriate.

### We emphasize focus on:

- Rhythm, coordination, and directional concepts such as forward, backward, sideways, diagonal, etc.
- Teaching LEFT and RIGHT and keeping time with the music
- Following instructions the FIRST time they are given
- Taking turns and being part of a group

We use LOTS of props such as scarves, bean-bags, sparkle wands, color rings, butterfly wings, percussion instruments, a parachute, etc.

**BOYS!** This class is suitable for the “little guys” too!

**The Class** is taught by one teacher and a couple student teachers. Max students per class is around 16.

**Tuition & Recital:** Tuition is \$90 paid every other month. Most children that start in September will continue through June when they participate in our annual recital. The cost of the recital costume is \$70.00.

### To Parents of Young Students...

- Please remind child to use the restroom BEFORE class begins 😊
- Try to arrive no earlier than 10 minutes before class begins. Little ones get restless if they have to wait too long
- Please put your child’s name in EVERYTHING! Dance shoes, skirts, street shoes, boots, coats... everything!
- Please remember to update telephone numbers, email addresses and health information throughout the year
- Thank you for keeping the waiting room QUIET during class time. Young children are so easily distracted.

Merci Beaucoup!
