

Show Team 2025

# The LSF Show Team

*Opportunity for every rider!*

We've had so many students ask about being a part of our LongShot Farm Show Team, thank you for your interest!

There are many ways to be a part of the fun and learning:

1 - Any lesson student who has ridden with us for at least 6 months is invited to apply to our LSF Show Team. We have several options for paid show leases on our school horses. We show at dressage, western dressage, ranch, and open shows. Riders are required to attend regular lessons, and we offer coaching at the event and hauling for a fee.

2 - Any active student on their own horse with us, either in training or in lessons, is also invited to apply for the LSF Show Team. We show at dressage, western dressage, ranch, and open shows. Riders are required to attend regular lessons, and we offer coaching at the event and hauling for a fee.

3 - The Teenybopper Show Team is a unique experience available for 3 riders who have been active in Mytalisha's Dream Teenyboppers for at least 1 season. Riders are partnered with one of LSF's proven show horses. This experience is unique in that these riders are sponsored, meaning the riders are only responsible for paying their entry and stall fees. We can even help with show clothes if needed. Teenyboppers show at the Bit and Spur regular (WSCA) shows and possibly Wild Bills if our schedule allows, right along side the rest of our LSF Show Team.

You are welcome at any time to talk to Kari or myself about these options. We are happy to discuss your goals and review your application. There is truly an opportunity for every rider!

## Show Team Application

Name:

Today's Date:

DOB:

Address/City/Zip:

Parent/Guardian if under 18:

Phone number:

Email:

How long have you been in the LongShot Farm lesson program?

Tell us about your riding experience....

Do you have prior horse show experience? If so please describe...

What is one thing you've learned well? What is one thing you'd really like to learn?

Will you be able to attend weekly show prep lessons?

When you think of your own horsemanship, what is the one thing you are most proud of?

What do you think is your biggest challenge in your horsemanship?

Are you aware of horse show pricing and prepared to budget to reach your goals? If not, let's talk soon!

What is one goal you have, or one thing you REALLY want to learn about with your show horse?
