Quotes:

“He would be a valuable asset to furthering the betterment of our world and is worthy of that opportunity. If you seek and want the best to make them better, then Jared is that person.” **Glenn Allsbrook** - Professional Engineer

“I was ecstatic to learn that I had received the Anchor Scholarship, as it is not only a prestigious honor but a serious aid to my progress in my major.... I can assure you that your donation is not in vain, it will go toward my continued academic excellence and improvement. I expect this coming semester to go as well as those which have preceded it.” **Jared**
