

BIOGRAPHIES

With more than 10 years of experience, **Rosanne Alcantara**, joins the PHOAC team as a seasoned community management professional. Rosanne contributes her success to each board member and community by her personal drive for helping others. “Each day, I strive to bring quality customer service to my homeowners and board members.”

Growing up in Davis, California, Rosanne and her twin sister spent time together crafting, scrapbooking and shared a love for music. For Rosanne, that love of music blossomed into both a Bachelor’s and Master’s Degree in Music from the University of Mississippi. Whiling studying at the University of Mississippi, she became a dynamic member of the Marching Band and Sigma Alpha Iota sorority.

After graduating in 2006, Rosanne decided to move to San Diego. While getting settled in, she took a temporary position within the community management industry. That is where her passion for helping others, attention to detail and organizational talents were seen and experienced by many. Her position quickly cultivated into an assistant, which developed into a community manager position.
