

## Trav'l'n Elks

Hi fellow Carmichael Elks. Just a little thank you for all supporting our Christmas Party.

I think we all had a nice time. The music was really good, and we all danced, drank, and had a good dinner. We all enjoyed the night. I also wanted to thank my committee for all their help and everyone that donated for the raffle. We have a great group of camping friends. Hope this year is a successful year keeping everyone healthy and being able to enjoy our camping trips.

Remember start thinking of stepping up being a wagon master and a board member.

Also remember our February 3rd meeting where you can sign up for our camping trips.

Thank You  
Shirley.
