To the Sherburn and Welcome City Councils,

The department logged 194 calls for service for the month of February. This brings the total for the year to 353. This is down slightly from 2014, but up over 2013.

The response time average for the month was one minute and thirty seconds. This is lower than our typical average of around two minutes and thirty seconds. While this is impressive, factors such as snow emergency violations likely played a role in the low number.

The new squad car is finally in service. There were several issues that popped up that caused delays in the set-up, but the vehicle has been on the road for a few weeks now and everything appears to be working properly.

The old squad car was sold on the State of Minnesota public auction site for \$2,800. This money was used to help off-set the costs of the new car set up. I was impressed with final sale price as this was higher than what we typically get for squad cars when we sell them.

We have added another new part-time officer in February. Officer Trevor Weinmann started FTO training on February 9 and completed his training at the end of the month. You will likely see him around in the next few months since Officer Cain is out until June on maternity leave.

Sincerely,

A handwritten signature in black ink, appearing to read "Brad L. Hughes".

Brad L. Hughes
