Quotes:

"...[Avery] is a composed, mature individual who works diligently to achieve his goals. In my opinion, he stands out from others because of the accomplishments mentioned and mostly because he is self-driven. I therefore strongly recommend him for the Anchors Scholarship 2020. I am confident that you will not regret it."

Ann Marie Eligon - Physics Professor

"Outside school, I used to work full-time bartending at a restaurant, however since the restaurant closed from COVID-19, I have been working full-time delivering food. With any free time I may have I enjoy reading, learning new languages, and playing soccer. Thank you again for establishing this award. I hope that one day I will have the chance to help others, as you have helped me." **Avery**
